CLASS 1- SUNSHINE

DHANMONDI

"We know that we will fall  
And that will happen to us all,  
But find what you can do,  
And everything will be true coz  
The goods are with you."  
-Shuvo Nobobarsho !

"Calm down, and your mind will be clear,  
Whether you see or hear,  
You fall, you run,  
You go up, you go down.  
But when feeling down, angels are all around.  
Find them and you will see, you will become what you would never be."  
-Shuvo Nobobarsho !

When the stars are shinning and everybody is sleeping in their beds,  
Here comes the fairies and this they said:  
'We hide in the morning,  
We come out at night.  
We play on the streets, where there is no light.  
When we see the sun and when it began to rise,  
We know it is time to stop  
And go back to our places to hide."  
-Shuvo Nobobarsho!
